Membership in the Council not only supports quality and performance excellence throughout Minnesota and beyond, but also provides members discounts to Council services, discounts to Council partner services, and other tangible benefits.

About the Minnesota Council for Quality

Founded in 1987, the Minnesota Council for Quality is a non-profit that helps organizations improve performance and competitiveness. The Council's primary service is a comprehensive organizational assessment that identifies strengths and improvement opportunities and serves as the foundation for the Minnesota Quality Award. In addition, the Council brokers improvement-related resources, information, knowledge, and best practices within and between Minnesota organizations.
