## **MINNESOTA COUNCIL FOR QUALITY ELECTS LYNN WILLENBRING TO BOARD OF DIRECTORS**

The Minnesota Council for Quality, Minnetonka, recently announced the election of Lynn Willenbring to its Board of Directors. Ms. Willenbring is currently the director of Driver and Vehicle Services for the State of Minnesota. Previous to her current position, she worked at the Minnesota Department of Revenue for 20 years in a variety of collection positions, most recently as the director of the Collection Enterprise. During this time Lynn was loaned to the U.S. Department of the Treasury for a one-year assignment to Lithuania. While there, Lynn advised the government on successful tax administration practices. Lynn has a bachelor's degree in Business Administration from the University of Minnesota and a master's degree in Management from Cardinal Stritch University.

Ms. Willenbring replaces Dwight Lahti, who recently retired as Assistant Commissioner of the Minnesota Department of Revenue. We thank Mr. Lahti for his valuable contribution to the Council's mission, and welcome Ms. Willenbring to the Council's Board.

### **About the Minnesota Council for Quality**

Founded in 1987, the Minnesota Council for Quality is a non-profit that helps organizations improve performance and competitiveness. The Council's primary product is a comprehensive organizational assessment that identifies strengths and improvement opportunities and serves as the foundation for the Minnesota Quality Award. In addition, the Council brokers improvement-related resources, information, knowledge, and best practices within and between Minnesota organizations.
